WIN a street golf set for your School!

StreetGolf is a version of golf specifically for use by young people in secondary schools and/or parks and recreation facilities.

This involves the use of specially designed, lighter, beginner-friendly clubs and reduced flight balls to ensure maximum safety on school sites.

StreetGolf

- Is fun, inclusive and can engage pupils previously disengaged from traditional team sports delivered in schools.
- Can be a high-energy game that helps with PE and fitness.
- Actively promotes co-operation and integrity among its players, and sportsmanship and good behaviour follows.
- Can be played in a variety of places at school, offering flexibility for the games lesson.
